Headmaster: Mr M J Evans

Dear Parents and Carers,

Severe Weather Arrangements

I thought it might be sensible to remind parents of our protocols in the event of severe weather. Our intention is to keep the School open whenever possible, but from time to time severe weather can force us to close the site. The attached policy describes the arrangements in full and, importantly, highlights how pupils and their parents will be informed of any decision.

I would be grateful if you could ensure that your son is well briefed on the protocols, as well as any domestic arrangements such as house keys, mobile phone numbers, alternative bus routes home, and so on.

Please can you also ensure that your contact details are up to date in ParentPay, as this is one of the methods we will use to advertise any closure.

Yours sincerely,

Michael Evans
Headteacher
