

Ermysted's Covid 19 Catch-Up Action Plan 2020-21 (£40,000) Finalised December 2020 by P. Davies Deputy Head (to be updated shortly for 2021)					
1. Quality teaching for all					
Outcome	Actions	Staff lead	Specific examples	Impact measure and review	Dates
To use the extended form-time to support pupils in their consolidation and pre-learning Y7-8 Total £400	Pupils in Y7-8 will have quality resources provided in all faculty areas to use in form time	JM	Support Y7 pupils in developing their engagement with reading despite the absence of the library as a full resource. Provide a "mobile" library service, buying books to support the "Book Buzz" competition. Books bought for each pupil and supplied to forms. Parent/carer letter to gain support for reading at home, competition to be fully marketed. Achievements to be celebrated - prominent display in year 7 corridor.	Pupils record their reading in log books, monitored each week. Weekly progress displayed and celebrated. Awards assembly to celebrate reading progress over 8 weeks. Bronze(38b bks) Silver (58b bks) Gold (78b bks) Platinum(98b bks). Will also look at numbers of non Book buzz books recorded in reading log to assess impact on reading.	From Sept 2020  8 week programme
		CJN	Maths form resources. (See also whiteboards in AFL resources. Maths-See Mymaths and MathsWatch)	Maths skills checks each week to consolidate prior learning and aid recall. Good feedback on math skills checks on whiteboards.	Reviewed from Oct 2020
To use the extended form-time to support pupils in their consolidation and pre-learning Y9-11 Total £1572	Pupils in Y9-11 will have quality resources provided for the core subjects - English, Maths and Science	CJN	Maths '20 more marks' mini-books from Birmingham maths team for Y11 to write on in form time, a set of 15 sets of questions, for Y11 form time for 15 weeks. Personal copy encourages pupils to complete and identify topics for further work. See also Maths box	Memory check and problem solving questions are being completed. Good feedback on math skills checks on whiteboards	Monthly Review
		AH	Science: CGP 10 minute tests (for use in form time) with focus on Year 11	Pupils' recall of knowledge will be evidenced through unit tests	From Oct half term
		AJP	English: Study support work books for use in form time by Y11 on Romeo and Juliet for every pupil. These are linked to powerpoints provided to the form tutor. CGP Language practice papers per pupil with answers.	Progress evidenced through teacher assessment results	From September
Support and develop wide range reading for all year groups Total £2552	Create an on-line library system	JM	This will include a new library system with set-up costs in the first year. This will significantly improve accessibility for pupils, allowing them to access the catalogue from any device on site or from home. An ebook package, and device to support reluctant readers (the costs for these are included in the devises section).	Data from records of e-book loans; reading log records for Y7,8 and 9, library loans increase, identified pupils reading more.	Planning to begin from January
To provide high quality teaching and learning resources to support pupils' independent learning for KS3 subjects Total £300	Science	AH	Photocopying resources to cover gaps in knowledge and support progress. Pupils can answer additional exam questions to develop exam technique and identify gaps in knowledge.	Progress evidenced through teacher assessment results	From November
	English	AJP	Develop curriculum resources at KS3 (Y7 and 8) to provide close focus on skills and techniques to best support transition between Year groups, with an aim to re-engage and inspire.	Progress evidenced through teacher assessment results, and also through engagement of pupils in lessons (eg learning walks and pupil and parent voice)	From November
To provide high quality teaching and learning resources to support pupils' independent learning for GCSE subjects Total £4868	Maths	CJN	GCSE Revision guide and workbook Zin1 for all Y10 & Y11 offered during lockdown (in addition to Voluntary contributions.) All pupils have access to the same revision resource and questions if needed for a future extended lockdown in addition to online resources. Active Learn (KS5 Maths, online textbooks). Impact already in lessons at KSS to project/deliver remotely and for all boys to access quality resource, plus reduced photocopying/ease of use for staff. Online KS4 Textbook for use in classroom, projection for remote learning, and for pupils to access at home to support independent working, or for remote learning use.	Continuity in learning evidenced so that self-isolating pupils continue to make good progress. Active Learn: Students find easy to access and supports their exam preparation. Expected similar for KS4.	Review Summer 2021 to consider future purchase for new Y10. From Sept 2020. Reviewed. KS5 very useful. KS4 to purchase Jan 2021. Review Summer 2021 and Dec 2021 to consider future KS4 subscription.
	Science	AH	CGP AQA Practice paper bundle - questions and answers to self-review. Photocopying of additional resources e.g. exam question booklets, additional mock exam paper for Y11 pupils. Additional mock practice exam for Y11 (self marked / reviewed in lesson).	Interim assessments, end of year tests and final grades will show impact	from Jan 2021
	Creative Arts	SS	PE: focused GCSE PE resources, eg class sets of the AQA Questions cards DT revision guides Food: Subscription to the Nutrition Program to help those boys of concern with their NEA which is worth 50% of their final GCSE grade. It calculates the nutritional, sensory and cost aspects of dishes with minimal input from the boys. This will also be used to support and extend the KS3 curriculum. Y10 & Y11 - Music CGP revision guide	Pupils who have limited access to remote learning to be monitored @ CAPs to ensure progress in line with peers. Current cohort attainment after mocks to be compared with previous year's performance. Revision guides and additional resources should have positive impact on progress and outcome, increasing independent learning opportunities.	from Jan 2021
	Humanities	KS	Y10 & Y11 GCSE revision resources to support the Humanities faculty mentoring programme.	Review attendance. The impact will be reviewed via a survey in terms of the success of virtual mentoring. The faculty watch list will also measure pupil progress by comparing the mock results to internal Spring/Summer data.	from Jan 2021
	MFL	AJP	Y10 and Y11: GCSE French and German resources including Revision Guides and Practice Books.	Pupils will 1) engage and participate more readily and confidently in oral work and 2) perform at a higher level in their half-termly assessments so that FGs are closer to their Target Grades.	From Jan 2021

Curriculum practical catch-up KS3-5 Total £6155	Humanities Fieldwork	PJC	Staff cover costs to allow for Y7,8,9,10 and 12 to complete fieldwork should enrichment week not be viable	Pupils will be incorporating experience of fieldwork into assessments, so evidenced through assessment results	Summer term
	Science Practicals	AH	Science practical element to be taught to Y7 and 8 pupils who have been predominantly based in classrooms. Additional equipment will allow more paired practicals in KS3 to make up for lost practical time due to lockdown – existing power supplies are shared across KS 4 & 5 so have limited availability. Yr 8 would be able to use them for lab lessons.	Evidence of learners engaged. Books show understanding of how practicals support theory	From Sept 2010
	Employ.2 Science technician	ADW	In order to enable practicals and cleaning between practicals to be maintained for all Year groups		
Quality, live lessons can be taught to pupils who are remote learning Total £5931	Webcams, devices and internet structure in place	MJE	Equipment and internet structure in place to enable pupils to participate in live lessons. This includes the purchase of webcams and refurbishing classroom computers for pupil use. Includes devices for library provision detailed above.	Feedback from parent survey (autumn term), Pupil voice, tracking systems.	From Sept 2020
Assessment for learning opportunities extended including increasing on-line assessment Total £2590	Whiteboards for use during form and lesson times purchased for every pupil Y7-11	PD	Whiteboard pen replacements and full packs provided for all pupils Y7-11 for use in form and lesson time	AFL opportunities evident through Learning walks where pupils are receiving immediate feedback. Increase in pupil pace and engagement shown through LWs.	From Oct half term
	Assessment on-line resources for Maths	CN	Maths Watch (KS3-4)  Exampro (GCSE assessments)	Continued impact is good engagement with known and trusted platforms to support learning via online lessons/videos in addition to feedback via online assessments.	Reviewed Summer 2020 and Dec 2020
	Assessment on-line resources for Science	AH	Educake allows rapid feedback on pupil progress. Identified pupils could be set tasks on Educake depending on identified needs. Online assessments cover all three sciences and both KS3 & KS4.	Evidenced through assessment marks showing improvement of understanding and good engagement with the tasks.	From Sept 2020
Y7 Baseline tests Total £1302	CATS tests to all Y7 pupils	SS	Y7 Baseline tests to inform targets and signpost intervention needs	Further identification of need provided as a result of the test, informing interventions. This will then be measured through tracking of pupil progress.	February 2021
			<b>Total for Quality Teaching for All</b>	<b>Total Cost £25,670</b>	

2. Targeted support					
Outcome	Actions	Staff lead	Specific examples	Impact measure and when to review	Dates
Supporting pupil mental health Total £10,920	Employ Counsellor	AJJ	Clear list of targeted pupils who are counselled on a weekly basis and adapted according to need	Reviewed half termly at least. Pupils no longer need support.	From Sept 2020
Interventions through employment of staffing for support Total £1546	Tutoring of Y11 and Y13 maths pupils	CN	Provide tutoring sessions for both Y11 (x14) and Y13 (x5)	Exam grades in summer exams, reviewed Sept 2021. Improved grades in internal assessments. Reviewed regularly. Impact: increased confidence and improvement in classwork in lessons reviewed by ATL and FGs	To run Jan 2021-exams. Review: Sept 2021 and ongoing
	Interventions in form time	Literacy	Y8 Form Tutor to support identified boys on literacy in small group and 1-1 sessions twice a week in form time.	Identified pupils making better progress in tracking. Improvements in focus shown on ClassCharts.	From Jan 2021
Extra intervention taught sessions Total £1444	After school	PHC HMC	Y13 Geography. Y13 Economics HMC fortnightly lunchtime Y13 session and 1 PPA session– stretch and challenge group to support A-A* students. A level revision guides for use in these sessions.	The faculty watch list will also measure pupil progress by comparing the mock results to internal Spring/Summer data.	From Sept 2020
	NEA practical support	KG LRD SS/CS/KW	Y11 DT practical work. Additional practical sessions after school and built into games afternoons to improve NEA results in PE.	Impact measured through results of NEAs in relation to targets.	From Sept 2020
	Intervention built into the timetable	CJN HMW	Maths Y12 - 1 session per fortnight. Y13 - 2 sessions per fortnight built into existing curriculum time. Year 13 feel supported. Extra regular practice is benefitting the pupils. Other pupils drop in for specific help. Economics Y13 time built into the timetable 1 session per fortnight. Targeted based on Y12 exam.	Half termly reviews of internal assessments to target interventions most appropriately. Lessons run all year.  Measure progress of Y13 mock and internal data against Y12 mock data.	Review: Sept 2021 and ongoing
Mentoring Total £0	A virtual mentoring programme to support year 11 & 12 Humanities pupils Peer mentoring Y11/13 during form time for Humanities	KS	Y13 students to train up Y12 students to mentor Y11 students virtually.  Y13 students to mentor Y12 in all Humanities subjects.	Interim assessments, end of year grades and final grades will evidence progress.	From Jan 2021
Resources to support pupils falling behind Total £420	Geography A level	PHC	Tutor2U A-level on line. School network licence to enable use of Globalisation workbook and practice questions and Water & Carbon workbook and practice questions.  A level text books to give out to students to use at home.	Interim assessments, end of year grades and final grades will evidence progress.	From Jan 2021
			<b>Total for Targeted Support</b>	<b>Total £14,330</b>	

<b>Overall Total</b>	<b>Overall Total £40,000</b>
----------------------	------------------------------
