Dear Parents and Carers

School Uniform

Earlier in the term I announced that we had appointed a second supplier of new school uniform, [Whittakers Schoolwear](#), which is based in Keighley, to supplement the other supplier, which trades as [Skip to School](#) in Skipton and [Wharfedale Uniforms](#) in Ilkley.

You may also recall that our previous arrangement with the **Skipton & Craven Action for Disability (SCAD)** shop in Skipton to hold second-hand school uniform has ended. Unfortunately, the shop has since closed.

We are developing an in-house second-hand provision but do not have much stock at present. Providing parents with a source of good quality second-hand uniform is important for many reasons and, hopefully, is an initiative that many will feel able to support. **Therefore, can I make a plea for parents to donate any unwanted school uniform to our School Office.** Please ensure donations are freshly laundered, with any name tags removed. Once we have sufficient stock, we will work out how best to organise the facility and write again to parents with details.

My thanks in anticipation of your help.

Yours sincerely,

Michael Evans

Headteacher
