

NEWSLETTER

Ermysted's Grammar School

7E after their second rugby lesson, November 2023

Hello everyone,

Welcome to the final newsletter of the term from a very wild and windswept Ermysted's. The pupils are in fine form and very excited about the coming holiday. I'd like to say well done to everyone on reaching the end of a very long term and wish you all a relaxing and restorative time over the next few weeks.

In this edition, you can read about the successes of our **senior mathematicians** (particular mention to Oliver, Oscar and Samesh); reports from our inaugural trip to the **Christmas markets of Cologne**; jaw-dropping achievements in the **ESSA Schools National Final** (courtesy of our four outstanding athletes: Jack, Joe, Sam and Sean); our lawyers at work in the **Bar Mock Trial**; our musicians performing in the **Barber of Seville**; strong performances in the **rugby, football and cross-country**; Ewen's success in the **British Schools Orienteering Championships**; **festive baking**; and **fundraising** with the Ermysted's Friends association. A truly remarkable range of curricular and extracurricular activity. Congratulations to you all.

Can I remind parents that governors are consulting on the **2025-26 Admissions Policy**. See details [here](#) and send any comments to consult@ermysteds.uk

Have a great holiday otherwise and see you next year!

British Maths Olympiad

Merits in the British Maths Olympiad Round 1: Congratulations to Oliver M and Oscar E in Y13 and Samesh C in Y12 who all achieved a Merit in the 3.5 hour event involving completing up to six mathematical proofs with reasoning and rigour.

Four students also qualified following the Senior Maths Challenge in November (pictured below) for the Senior Kangaroo. Congratulations to Caleb S, Oscar S and Ethan W in Y13 and Harrison F in Y12, with Ethan achieving a Merit for his performance in the 1 hour paper, with 20 difficult maths problems, where every answer is a 3-digit number 000-999.

Dr Needham

Year 8 Cologne trip

On the first day of Christmas, the first advent gift was truly given as fifty-eight Year 8 boys set off on the coach for Cologne! I was lucky enough to be on this trip, and here is what happened. After we finished the school day, we grabbed our bags and headed excitedly to the bus. We then drove off to Hull ferry terminal, chatting, singing Christmas carols and even an enthusiastic (although

slightly off tune) singing of Sweet Caroline! Later we arrived in the port, showed our passports before boarding onto the ferry. We then put our bags in our cabins before heading down to an extensive buffet tea. There were many options, ranging from a delicious display of roast with all the trimmings to a splendid selection of desserts like ice cream and brownies. Now very full, we had time to explore the vast ship, before settling down for a good rest in our cabins.

The next day we woke up early, tired but looking forward to the next day. We headed down for breakfast and came into the welcome smell of frying bacon, sizzling sausages and hot hash browns. We quickly filled up our plates with pastries, toast, and other mouth-watering goodies that were on offer. We packed up and got off the ferry as we arrived at our destination: Rotterdam. We reboarded the coach and set off and after driving for a while through the picturesque German countryside, we finally arrived in Cologne! We booked into our hotel, before setting off to the first market.

We walked through Cologne, admiring the architecture of the beautiful city, before arriving at the market. We were greeted by a large castle tower, which we later

found out in the tour was the original gate to the town. There were many market stalls, each unique with what they were selling, and the stalls themselves. They were all beautifully decorated in bright colours and traditional German styles. In the market I was lucky enough to have a try of a delicious Bratwurst, a type of fried German sausage, which was cooked on site in the market. I even saw a singing moose!

At the next market, when we first arrived, I saw all the beautiful lights studded around the market, like constellations in a night sky. There were many intricately decorated paper stars, lit up from the inside, hanging from trees, which seemed to be a specialty in Cologne, as I saw many more throughout the city. This market was one of the biggest, with many many stalls, one of the most famous selling delicious sugar dusted Cologne Cathedral shaped waffles! After wandering around the stalls for a while, buying souvenirs and bravely testing our language skills with some of the encouraging locals, we headed off to our next market.

This market was all themed and as we came up to it, we saw the elaborate arch that was the entrance to the market, with tiny clockwork house elves, called Heintzelmännchen that rotated round. There were many more around the market, riding on ski lifts, going on tiny rides and even mounted on polar bears! These elves, as I later found out, were written about in Cologne folklore, and were reported to have helped the villagers in tasks while they slept. We finished off a memorable day by going for some delicious pizza at the L'Osteria Italian restaurant, which had been kindly booked by Frau Fehlings, before heading back to the hostel to get some rest in our rooms.

The next day we woke up, got some breakfast, including some German cheese and salami, and headed out, looking forward to the new day. Frau Schulten-Hirst had planned a tour of the city, and I learnt lots about its history. After listening to the talk, I could see a lot of how the old architecture blended with the new, as most of the old buildings had been bombed during World War 2, which had allowed for many new styles of buildings. We walked along the river Rhine and saw the Stapelhäuser, which means stack houses. Frau Schulten-Hirst told us that they were named that way because incoming trade ships had to stack their crates of goods there, to measure how much tax should be paid. We continued along the river until we saw the famous Hohenzollern bridge, where it is tradition for lovers to lock padlocks onto the bridge and to then throw the key into the river to symbolize their love.

Next stop was Cologne Cathedral! The cathedral towered above us, its colossal two towers seeming to scrape the sky. It was a truly breathtaking feat of architecture, with

every surface covered in ornate details and statues right to the very pinnacle. We went inside with our groups, and saw the beautiful stained-glass windows, and vast

columns holding up the ceiling. I even saw the golden casket that held the relics of the three wise men. After admiring the wonderful cathedral, we headed outside and had some more free time to continue exploring the city, and see the nearby Christmas market.

Then, we headed back to the hostel and got our bags, and I couldn't believe that my fantastic German adventure was coming to a close, but I was looking forward to seeing my family again. We then drove off to the port and crossed over the border into the Netherlands. Now more experienced travellers, we took full advantage of the buffet tea and breakfast before returning to the coach and heading back to Ermysted's. It was an amazing opportunity to experience German culture and to practice our language skills, whilst making many great memories with friends.

Edward Lawton, Year 8

ESSA National Finals Report

Ermysted's Grammar School, despite having a sporting prowess in running, rugby, and athletics is not known for swimming. State schools overall are hardly renowned for their aquatic excellence, a key factor being the absence of a swimming pool for training. Despite this, the school is blessed to have four national-level athletes, all in the same year group. On Saturday 18 November, at the Sandwell Aquatics Centre in Birmingham, this team

competed in the English School Swimming Association Secondary School's National Finals.

After an early start, the team piled onto the minibus to make the three-hour journey. Once they arrived at the centre, they got their athlete's passes and subsequently changed into their trunks to make camp at the edge of the pool, ready for the warmup. After sweltering poolside for two hours, a slot finally came for the swimmers to test the water. This only lasted twenty minutes, so the team then endured another long wait before the first race. They used this time to discuss tactics: they would need every advantage they could get against the swimming goliaths of Harrow, Millfield, Mount Kelly, Plymouth, and Repton, a league of independent schools geared towards swimming that Ermysted's faced. The team's confidence was high and before they knew it, they were on the blocks, awaiting the starting buzzer. Joe B swam backstroke for the first leg, with Sean S next on breaststroke, Sam S for butterfly, and Jack J anchoring with freestyle in the 50m Medley. They were in heat three of three and knew what they had to do to make the final, it was well within their abilities, and despite an unconvincing display, they were into the final with a time of 1:50:44, and coming in fourth for the final. After a dip in the cool-down pool, their moment to perform in the finals came. Nerves were starting to show, but overall, the swimmers were in good spirits and felt ready. Once again Joe B was up to lead with the others waiting in the wings. The buzzer sounded and off flew the athletes. After the first leg, he was just behind the podium places in 5th but with a minor difference to make up. Sean S then pushed on putting the team right with the top 4 and it was Sam S's turn to tighten the gap with a strong butterfly leg. The team now stood 4th putting 3rd place well within reach. Jack J, the final swimmer, managed to secure the 4th place finish for us with a blistering effort right to the end. The boys ended up improving on the heats by twenty-two hundredths of a second and had secured the title of fastest state school in the country; a remarkable feat. Congratulations were shared and after a mere ten minutes, it was time to glumly watch as the medals were awarded to the top three teams, knowing nothing would be taken away from the event except pride. However, word quickly spread amongst the team of a newly established 'President's Award' given to the top-performing state school. The swimmers quickly made

their way to the other end of the pool to collect the trophy. The lads received their medals and trophy with glee, but it was not over yet.

Quickly, they switched their focus to the 50m free heats. They swam another successful heat, qualifying for the final with a time of 1:38:60. Confidence was high, but nerves were also setting in; the lads knew they had a chance to achieve something special. Lane 6 and seeded 4th, expectations were high, and as Sam S stepped up to the edge of the pool. Cries of 'COME ON STEDS' rang around the centre. The buzzer rang for the second time that day and Sam leapt into the water. The team was dominant in the preliminary stages with two strong legs from Jack and Sam, establishing a place in the top five. Sean came next and he too had a strong leg, maintaining our position and giving Joe the chance to seal a potential podium finish. As Joe approached the last fifteen metres, 4th and 3rd place both seemed palpable. With ten metres from the finish, he overtook 4th place and looked to push on to grasp that elusive medal position. Despite his efforts, it was not enough and Ermy's finished with another 4th place and the President's Award. 'Unfortunately, there has been a disqualification in lane 4, Millfield, on a technical foul' blared through the loudspeaker. This turn of events brought sheer elation to the boys who had given it their all that day and deserved it. Hugs, high fives, and slightly too forceful slaps on the back were shared in an electric celebration. That was until it was discovered that Millfield's appeal had been upheld and the hard-earned medals whisked away before they even could put them around their necks. However, another President's award received demonstrated immense pride for the swimmers and the school. A long minibus journey home and a stop off for dessert bar and fast food rounded off a tiring but successful day.

Eoin Burns, Year 12

Bar Mock Trial Competition

On Saturday, 2 December, the group that formed the Bar Mock Trial team made the trip to Leeds Beckett University, ready to put weeks of work and dedication into action. The day began with all the competing schools and colleges being introduced to the schedule of the competition, with the first round commencing shortly after. Students took on the role of all professions involved within a traditional Crown Court case. In each of the three rounds, the team would take the side of either prosecution or defence, with those involved being scored on a multitude of aspects, testing them primarily on their abilities to memorize and process information, apply this information and to think on their feet and act according to the actions of their opposition. Preparation clearly paid off as all members of the team produced performances that they should be proud of. Despite not quite making it through to the national finals, all those who took part (Joseph M, Freddie M, Caspar A, Kalya D, Oliver M, Isaac C, Joseph F, Harrison F, Eddie L, Sammy M) should be proud of how they represented the school. A sincere thank you must be given to Mrs McCabe, Mrs Rose, Mrs Swiffen and Mrs Park for all their time they gave to assist the team and to Taha A, Arthur D, Jack J, Spike P and Ben V, who attended on the day as part of the jury.

Caspar Alderson, Year 12

Timber Required

Dear Parents,

We have been very fortunate in the past to have local businesses provide us with off cuts of hardwood timber which we put to excellent use in the department with GCSE and A Level students. Our main supplier moved out

of Skipton about 4 years ago now and we are now running very short of timber in the department, we purchase MDF, softwood and plywood as required, but cannot afford to purchase hardwood in the current financial climate. If there is anyone out there who runs a kitchen design business or similar - which produces off cuts of timber, we would really appreciate you getting in touch with the DT Department, via the DT Technician. Mrs A Flash - aflash@ermysteds.uk. It would make a huge difference to the quality of work that can be produced by our students.

Thank you,

Mrs Diccox and Mr Gardiner

The Barber of Seville

On Thursday, 23 November, musicians Tommy C, Oliver C, Daniel E, Will W and Nicolas W had the opportunity to take part in the opera, "The Barber of Seville" translated into Yorkshire dialect, which opened the Bradford opera festival after only a week of rehearsal. Well done!

Rugby Report

13 December 2023

Ermysted's Grammar School 24-12 Rishworth School

There was a feeling amongst the First XV that they needed a win in their rematch against Rishworth to get their season back up and running. Losses against Sedbergh and Bolton, coming after an emphatic 66-21 win against Silcoates School, abruptly halted any progress. They bounced back in style, however, with victory against Rishworth at Keighley Rugby Club on the astro-turf.

Dan A-H was the interim captain, as Ed W started on the

bench coming back from a niggly injury. It was a scrappy start, with knock-ons and a series of penalties for minor infringements at the breakdown from both teams, in the wet conditions. It was Rishworth School who put points on the board first though, as the Rishworth winger found a hole in the Ermysted's defensive line on the 22-metre line, finishing well on the right side. Ermysted's kept their heads up though, the skipper Ed W was now on the pitch after an injury. Sustained pressure in the Rishworth 22 paid off with Tom S scoring a powerful pick and go to draw level. The First Team has had problems off the kicking tee this season, but the solution may have been found with Boe K confidently slotting the extras to secure a 7-5 lead at half time.

In the second half, Rishworth took the lead with a try in similar fashion down the other end. 7-12. Once again Ermysted's did not let this deter them, Ed W scored a sublime solo try from 40 yards exploiting space on the left wing, shrugging off multiple defenders. 12-12. The pressure was sustained, Ed W exploiting the same space on the left, this time inside the 22 to take his tally to a marvellous six tries in six games. 17-12. Big tackles and a more organised defence and attack saw Ermysted's surge into the 22 again, Bilal N scored well from close range to

add another try to his tally for the season. Boe scored the conversion to give a 12 point lead. 24-12. Rishworth came back though, a series of penalties helped them up the pitch and if it was not for a moment of luck the game may have finished closer. The Rishworth prop knocked on when over the line after Vincent T did his best to stop him. A bullet of a 22 dropout from Boe K was the result, the match was almost won.

The final whistle sounded, with the score 24-12. A gritty victory in quite a scrappy match left Ermysted's delighted. There is excitement for upcoming matches

against Kirkby Lonsdale, Ilkley Grammar, Harrogate Grammar and St John Fisher's as the boys try and finish the season strongly.

Man of the Match – Ed W

Lineup – 1. George S, 2. Tom S, 3. Ezra G, 4. Vincent T, 5. Will B, 6. Henry G, 7. Dan A-H ©, 8. Bilal N, 9. Will B, 10. Sam E, 11. Finlay P, 12. Charlie H, 13. Israel H, 14. Finn M, 15. James H.

Replacements – Nicholas H, Boe K, Casper A, Eoin B, Alfie C, Mitchell W, Alex P, Ed W.

By Nicholas Hall, Year 13

Festive Baking

The Year 9 GCSE Food & Nutrition group have been getting into the Christmas spirit with homemade mince pies and Christmas cake baking and decorating.

Mrs Taylor

Ermysted's First XI 2023-24

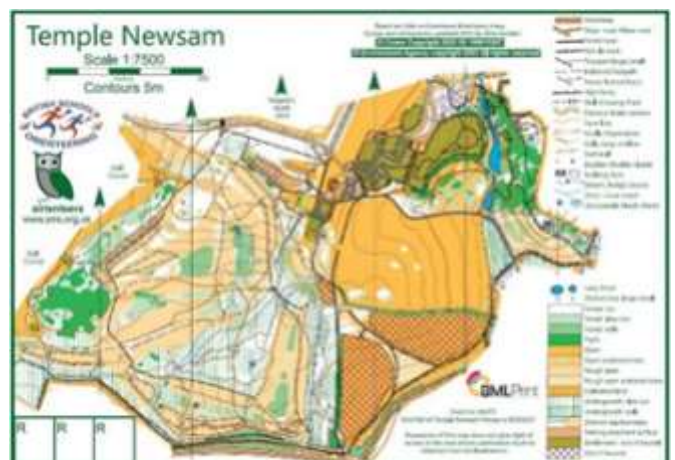

Unfortunately we didn't have the best start to the season as we have narrowly lost our first three matches to Settle, Clitheroe and Ripon. However a 6-2 win against King James's School from Knaresborough means we have a quarter final of the County Cup to look forward to next half term along with the traditional match versus the Old

Boys the first week as we return after the Christmas break.

Mr Speak

British Schools Orienteering Championships

This event was held relatively locally at Temple Newsam in Leeds on Saturday 18 November. Three pupils from Ermysted's took part with Ewen W having a great day and winning a medal at these national championships! Ewen was 3rd (of 19 finishers) in the Y11 Boys race, less

than two minutes behind the winner and won a Bronze Medal.

Finn B was a creditable 18th in the Y8 Boys out of 28 finishers and Kaiden S was 28th of the 38 finishers in the Y7 Boys. Bearing in mind none of these runners compete for orienteering clubs they all did exceptionally well not just to get round their respective courses but also compete at this national level.

Congratulations to all three lads and particularly to Ewen on winning a medal at a national event!

Mr Speak

ESCC National Final

On Saturday 2 December all three teams from Ermysted's Grammar School ran in this year's final of the English Schools' Cross-Country Cup at Woodbridge School Suffolk. Over 2000 teams from more than 600 Schools had entered this year's competition, where Ermysted's had set out in October in the North Yorkshire Preliminary Round. All three teams had won at Aireville Park to become unofficial county champions. They then ran in Middlesbrough in one of nine Regional semi-finals where the top three teams progressed to the final. In those races all three of the school's teams were runners-up as was individual George M in the Intermediate event.

The Junior team was decimated as four of the six lads who had helped us qualify were visiting the German Christmas Markets in Cologne. However, that did give several lads a chance to run in a national final and gain valuable experience for the future. Harry R led our team but even he was caught out a bit by the very fast start. Harry settled in the middle of the field of 162 runners and made some progress round the lap and a half course to finish 72nd. The rest of the team were also slow

starters and never really made much movement through the field. Our other scorers eventually finishing Alex F 126th, Will P 127th and Sevan C 135th with our non-scorers Dougie H 146th and Lachlan M 156th.

George M was also caught out by the cavalry charge start and had no chance of making his way through the runners to challenge at the sharp end. He was about 40th halfway round the first of 3 laps and dreams of a top ten finish had already evaporated. George did hold on to finish 37th but was clearly disappointed with a below par run. Lucas S was next home in 60th which was a full 70 places higher than he managed in last year's final. Will O was 84th with Louis S 87th, Dan H 88th and Oliver F 127th. The total of the first 4 was 268 and good enough for 17th team out of the 27 finalists.

Ermysted's Senior Team was hoping to improve on last year's 9th place in the final. Sam B is running well and hoped for a top ten place individually. However, even with his experience the fast start and difficult pen number meant he was boxed in and was only about 30th after half a mile or so. Ahead of him though was Tom H, who was having a great run just outside the top twenty. We expected Sam to move through but he just didn't have it in his legs and finished in 38th. Tom actually improved on his position to come 19th and Ewen W also had a great run for 46th and the team looked set for a high finish. Unfortunately, we had to wait a while for our last counter Lachlan W as came back in 89th position. Our non-scorers Nathan H 98th and Samesh C 100th were both well up the field of 162 runners. Their team total of 192 points was good enough for 8th place and only a few points off 5th. So a small improvement on last year but with the full team available again next year we really should be aiming to challenge for a podium place.

All in all another good year in this competition with all three teams reaching the final and having an excellent road trip to the South East of England with traffic jams, pizza, a cold fast run and a nice top to remember it by!

Mr Speak

House Quiz 2023

These traditional pre-Christmas events took place with plenty of wit, intelligence and good-humoured banter. We had the usual mix of questions from curriculum

subjects, general knowledge, mental arithmetic, sport, memory, pictures and novelty topics, in rounds of various formats.

After day one Toller were ahead having won the opening quiz, thanks in no small part to Brinley P (Y12), with Hartley in second after taking the Y13 quiz with Freddie S being the star performer. Day two was entirely Petyt's! They won all three of the quizzes as Y11's Isaac I, Y10's Sam S and Y9's Hanzala A were most influential for their respective teams. Wednesday came and it was Toller's turn to dominate as Joe K of Y8 and Ashaaz Z of Y7 showed an encyclopaedic knowledge to win their year group quizzes for their house.

So with three wins each it was between Petyt and Toller for the overall bragging rights. However, Petyt won quite easily with no last places whilst Toller had three!

Well done to everyone involved and in particular the teams for another impressive demonstration of the students' abilities.

Mr Speak

Christmas Bag-Packing

On Sunday 17 December, 35 pupils and 12 parents took it in turns to welcome shoppers to Keelham Farm Shop and offer to pack their bags. Some of the boys were lucky

enough to serve at the sweetie counter which is surely the stuff of dreams! They all represented the school brilliantly and we had comments from customers and staff about how polite they were. It was a pleasure to see how each pupil pushed themselves out their comfort zone in different ways, and showed encouragement to each other. After six hours and a lot of 'Have a Merry Christmas!' wishes, they raised a superb £463.48. Well done everyone, thank you for your time and enthusiasm!

Ermysted's Friends' Association

Chess Club

Chess Club has been very popular again this year with over 40 boys taking part in the School's own 'Swiss Chess' competition. The winner who won all seven of his matches was Ed Thornton with a further 14 students gaining at least 15 points and thereby qualifying for the Regional Megafinal to be held at York in the summer term.

In addition we entered the West Yorkshire School Chess competition. This was a new event held at St. Bede's School in Bradford. We entered four teams of four who went into the competition with 27 other teams. Unfortunately, the organisers underestimated the time needed for the event and we had to call it a day after only three of the expected five rounds of matches. At this point our A team (Ed Thornton, Samesh Chotai, Ikhlas Saboor and Y7's Oscar Obelevicius) was still in the running having won all three of their matches and our other teams all had a positive record after the three rounds but we will have to go back for the second half of the tournament to see where we eventually finish.

Mr Speak

Christmas Wrapping

Well done to the library helper team for creating an impressive pile of wrapped book recommendations for Year 7 readers to enjoy. We are extremely proud of our student librarians, they work incredibly hard, creating

displays and ensuring that the library is a welcoming place for all students. Thank you.

Mrs McCabe and Mrs Stanley

Harrogate and Craven Area Cross-Country Championships

On Wednesday 6 December the rearranged Harrogate and Craven Area Cross-Country Championships took place at King James School, Knaresborough. This was an excellent cross-country course but still very wet underfoot. There was a lot to run for with individual titles, certificates for the first three and trophies for the best school in each of the five age groups for both boys and girls. However, the main reason for the races is that they are a starting point for the Individual English Schools' Cross-Country Championships as the best runners are picked for the Harrogate & Craven team for January's County Championships from which the team for the National Championships is selected. There were over 400 runners from 15 schools and Ermysted's incredibly won four of the five boys' team titles. As a result 16 athletes will be selected to run for Harrogate and Craven in January's County Championships, five of whom won podium places with Sam B winning the Senior race.

The Year 7 race gave our lads a chance to show what

they can do against only other runners of their own age. In their only other outing against

just Y7s they had finished national runners-up in the English Schools Fell Championships and it looked good for the team from the start of the race. Will P was amongst the early leaders with Sevan C, Lachlan M and Conor D all just outside the top ten. Will battled hard round the two laps and found a great finish to ensure a top three placing. Both Sevan and Lachlan gained places on the second lap to finish 7th and 10th respectively whilst Conor hung on for 19th to give a team total of 40 for the finish positions of the first four runners and a team victory. Our non-scorers were Isaac O 24th, Felix L 27th, Sam C 28th, Toby J 33rd and James C 34th.

Our Y8s had just lost by just one point last year in the team and were out to put that right this time round. Seth and Harry R were in the leading pack of four round the first of three laps. There was a bit of a break on lap two leaving them a short distance behind but on the final lap they made inroads and at the finish the first four home were separated by just four seconds. Unfortunately for us it was Seth 3rd and Harry 4th but a great start to the team competition. Joe B came 7th and Alex F 8th to complete our team with a low score of just 22 points and a team victory. Their non-scorers were Finn B 11th, Dougie H 13th and Isaac R 14th.

Y9's George M was champion last year and hoped for a repeat performance. Unfortunately like most of his year group he had a cold and although he set off at the front he couldn't hold on through the final lap and had to

settle for the silver medal position. Dan H has come strong this year and maintained his recent excellent form for 4th with

Sam C 11th and Toby N 14th completing our team. Their low score of 31 points was just beaten by St Aidans and we had to accept the team runners-up position. Our non-scorers were Sam H 16th, Wayne S 17th and George A 26th.

Our Y10/11 team were in a race with some quality as Giggleswick's Jack Sanderson was going for a hat-trick of individual titles but our own Tom H had a great run in the National Final on Saturday and was not going to let him have it all his own way. Sure enough for the first two and a half laps they pushed each other hard and pulled well clear. Jack did come away on the final lap but Tom ran him a close second. This team is very strong and easily won the title as Ewen W came in 4th, Lucas S 11th and Matthew S 15th for another low score of just 32 points.

Our Year 12 & 13 team were clear favourites for the team and it was a bit of a procession as from the gun Sam B pulled clear in first with Lachlan W and Samesh C 4th and 5th with the rest of the team inside the first dozen runners. As the race progressed Sam pulled clear and Samesh overtook Lachlan but the real movement happened on the last lap as Jack A stormed round to lift himself from 11th to a fantastic 7th place on the line. The team score of just 17 points was excellent and confirmed our 4th team title out of five.

Our non-scorers who all might make the Area team for next month's county championships were Oscar S 11th

and Dougie S 14th.

So incredibly we won four out of five team titles, had an individual winner, another four medallists and around 16 runners gaining selection for the County Championships at Caedmon School, Whitby on Saturday 13 January. That all added up to another impressive day out over the country. Let's see how many of them can make the County team in January.
